Club Re-Opening Wednesday, June 17, 2020

We have been anxiously awaiting the re-opening of our club following the Governor's mandate and our "annual" spring flooding of the trap fields. We're hoping the grounds continue to dry out as we re-install the trap machines in the next two weeks.

Our re-opening is under the strict guidelines from the State of Illinois and the CDC at this time. Our scheduled re-opening date is **Wednesday, June 17th at 11:00 a.m.**

Please review the necessary guidelines which must be followed during this re-opening phase. They can be found on the next page.

We remind everyone to call the clubhouse at: (815)385-9896 to confirm the open status of the club as the clubhouse cannot be used as a shelter for inclement weather at this time. The clubhouse will only be used to sign up for your rounds with an "enter only" and "exit only" door. Social distancing is required. Therefore, you cannot keep your guns or shooting bags in the clubhouse. You can use the gun racks and tables outside.

WE CANNOT STRESS ENOUGH
IF YOU OR A FAMILY MEMBER ARE FEELING ILL
PLEASE STAY HOME

We look forward to seeing all of you again!

Enjoy your regained shooting experience.
